Sir:

In the Notice of Allowance, mailed August 29, 2007, the Examiner noted that the Declaration filed in this application included an out-of-date statement of the applicant's duty to disclose under 37 C.F.R. § 1.56. The Examiner indicated that she had amended the previously filed Declaration to update the statement of the applicant's duty to disclose under 37 C.F.R. § 1.56. Nevertheless, in response to the Notice of Allowance, Applicant respectfully submits herewith a Supplemental Declaration correcting the deficiency by including a corrected statement of the applicant's duty to disclose under 37 C.F.R. § 1.56.

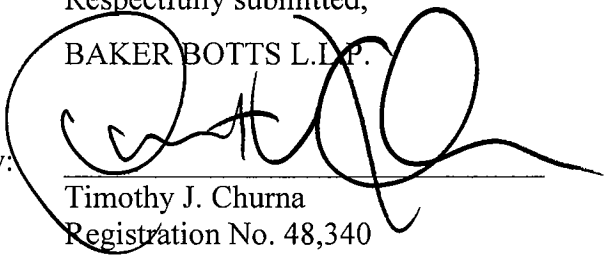

No fee is believed to be incurred by this submission. Nevertheless, in the event of any variance between the fees determined by Applicant and the fees determined by the U.S.

Patent and Trademark Office, please charge such variance to the undersigned's Deposit Account No. 02-0375.

Respectfully submitted,
